The legal profession, our jobs, and our personal lives have been upended by the global pandemic and social changes. Our jobs may have ended, our practices may be at risk or we are questioning how and whether to continue in the legal profession. This confidential group will provide focused topics and facilitate the exchange of ideas among participants.

Additional LCL groups include Family Support, ADHD Support, Parenting (co-sponsored with Minnesota Women Lawyers), and Discipline and Practice, see www.mnlcl.org/services/groups/groups-overview/
