## **The New ABA Model CLE Rules on Substance Use and Mental Health**

The ABA House of Delegates has approved a Resolution amending the Model Rule for Minimum CLE, which includes a stand-alone mental health or substance use requirement.

The Resolution's accompanying Report explains that it may reduce the concern of lawyers who are reluctant to attend such programs due to stigma.

LCL has a vibrant CLE program and we are considering how best to respond to this new recommendation in Minnesota. Join us to discuss our options and opportunities. We want your opinions.
