

KEEPING IT  
**KIND**

### **Creating positive interactions**

Workplaces bring together people with differing viewpoints, backgrounds, and belief systems, and conflict may be inevitable. This can interfere with productivity and may actually drive good employees away. Your Employee Assistance Program is available any time, any day, to you navigate these conflicts and maintain positive relationships with your coworkers.

### **ONLINE SEMINAR**

#### **Maintaining Respect and Civility in the Workplace**

Identify methods to assertively address inappropriate conduct within the workplace to promote a healthy work environment.

**Available on demand starting April 17th:**
