

LAWYERS CONCERNED FOR LAWYERS

Confidential Support for Legal Professionals

CLE: Problem Gambling and the Legal Profession

Wednesday, March 27, 2019
at the LCL office.

12:00 P.M. - 1:00 P.M.

1.0 Elimination of Bias CLE credit applied for.

Speakers: Joan Bibelhausen, J.D.

Gambling is normative behavior in most adults. Approximately 3% of gamblers will experience problems. Compulsive, problem or pathological gambling is often called the “hidden illness” because there are few of the outward signs and symptoms that may be present with substance use disorders, and the biases that keep someone from seeking help can be greater as well. Colleagues, families and friends of problem gamblers are often shocked when they learn about a problem and how serious it has become. Often this comes up in the context of a legal matter. Lawyers and clients are affected by gambling addiction. Learn about problem gambling, how to recognize the signs and symptoms, what you can do, and what resources, including treatment, are available.

This program is open to all lawyers. To register or if you have questions, please call 651-646-5590 or email aerbst@mnlcl.org. We ask \$10 per credit for our CLE programs but scholarships are always cheerfully granted. Free parking is available on the east side of our building and we are on the Green Line near the Westgate stop.

If you would like to participate via teleconference, please make your reservation by 9:00 a.m. on March 27 and we will send you the instructions and handouts by email.
